

Hooray!!!

Thank you Recreation Trust for coming to a unanimous decision to 'Stop the Mast!' on Painswick Recreation Ground.

Thanks to everyone who signed our petition, delivered leaflets and generally raised awareness about the possible dangers surrounding Masts; for the whole community!

A special thank you to all our supporters who put many hours into a very informative presentation which hopefully helped the Rec Trust reach their verdict.

'The Trust now needs our help coming up with some much needed funds, so I am sure you will all support them by attending the event below...'
