Dear Mr Balgobin

SCHEDULED TARIFF INCREASE: PAINSWICK CAR PARK

At the Parish Council Meeting, on Wednesday 18th October, it was agreed that due consideration would be given to your request to defer car park tariff increases in Painswick Car Park.

Painswick Parish Council have asked for the increases to be delayed, allowing completion of a full parking review, prior to the charges going up. As you are aware a parking review will be undertaken by Stroud District Council in 2018.

After further evaluation your request has been rejected.

As you are aware charges have not increased for over six years. A rise in tariffs is overdue and the increases put forward are appropriate. Delaying the implementation yet further would serve little purpose and I am happy that the new tariffs are proportionate for the regulation necessary in this car park.

Yours sincerely

Joanne Jordan
