

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – ACTION PLAN

INTRODUCTION

Painswick Parish Council Traffic Committee oversees all traffic-based issues and concerns within the Parish boundary, including those originating in the surrounding road network.

Key areas of concern are:

- Speeding, including enforcement and signing.
- Infrastructure condition, specifically road surface, road markings and drainage.
- Parking, including provision, enforcement and signing and maintaining access for emergency services.

Traffic Committee: Abigail Smith (Chair), Edd Crownshaw, Dawn Dart, Rosie Nash, Roey Parker and Martin Slinger.

This Action Plan is approved and owned by the Traffic Committee. Its implementation is assisted by the Community Speed Watch Group and other volunteers. Any spend will require approval by full Council.

Application of the Action Plan:

- At each 6-monthly Traffic Committee, the Action Plan will be reviewed and the actions contained therein will be approved for implementation by delegated individuals.
- Between Traffic Committee meetings, any actions previously agreed as requiring full Council approval shall be presented by the Chair of Traffic to the next appropriate full Council meeting, without the need to return to the Traffic Committee before doing so.

USEFUL POINTS OF CONTACT:

- **Police Contacts:** PCSO Debbie Campbell (Community Speed Watch)
- **Glos Road Safety Hub:** via GCC Website
- **Gloucestershire Highways:** Scott Tomkins (Lead Commissioner); Daniel Tiffney (Area Manager)

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – ACTION PLAN

ACTION PLAN

	INITIATIVE TITLE	AIM ▪ General Notes	ACTIONS	TARGET DATE (LEAD)
1.	Speed Matters	<p>To build a case for further speed checks and enforcement within 20 and 30mph zones.</p> <ul style="list-style-type: none"> ▪ A Traffic Regulation Order is in place for the Painswick 20mph zone. ▪ <i>Update from Police:</i> as long as a Traffic Regulation Order is in place the limit can be enforced, but resources to carry out enforcement are limited. ▪ All Speed Watch data to be provided to Road Safety Hub (complete to Nov 16). ▪ Permanent VAS installed by Westcotec in January 2016, including data collection devices. Software to access and download data installed on Parish Council laptop. ▪ Mobile VAS available for community use (not since Nov 16 due to lack of volunteer availability). 	<p>Community Speed Watch – 15 volunteers trained in October 2014 have undertaken 3 Speed Watch weeks per year, with collected registrations numbers provided to the Police.</p> <ul style="list-style-type: none"> ➤ All speed watch since autumn last year have been postponed due to poor equipment. ➤ Police are currently sourcing new equipment - we have volunteered to trial this. <p>Permanent VAS and data measurement units (speed and flow):</p> <ul style="list-style-type: none"> ➤ Data downloaded in Sept 2016 suggested general day time speeds were under ACPO (35mph). Southern Unit - 85th Percentile reduced to ~33mph (compared to >35mph); Northern Unit – 85th Percentile remained at 35mph (compared to 35.9mph). ➤ Agreed to move the Southern Unit to south of the Richmond junction although still recording traffic coming into Painswick. This is in part in response to concerns raised by residents at Cotswold Mead but also to encourage speed reduction at an earlier point after entering the 30mph zone (closer to Cotswold Mead, Richmond and Broadham). £90 to support this was approved. • Dan in contact with street lighting to arrange. This was complete but put in the wrong place. GCC accept responsibility and we now wait for them to rectify it. ONGOING. ➤ Data download to be undertaken once moved. 	<p>Ongoing (Debbie/Abigail)</p> <p>Ongoing (Dan)</p> <p>Ongoing (Irena/Jaimie)</p>

			<p>Speed gateway signing:</p> <ul style="list-style-type: none"> ➤ B4073 30mph and 20mph gateways were improved during recent resurfacing works. ➤ Additional 20mph Road Safety signs proposed <ul style="list-style-type: none"> - n/b – Lamp post at bottom of Pullens Road; No Loading sign outside Goddards; School sign opposite Stamages Lane. - s/b – top of Lower Washwell on TIC sign, on School sign by bus shelter. <p>Existing signs to be replaced – Gyde Road triangle 20mph, and Stamages Lane mandatory 20mph. Road Safety Hub contacted.</p> <ul style="list-style-type: none"> • Dan approved and signs can be collected (might need reconfirmation) and erected. <ul style="list-style-type: none"> ➤ Golf Course Road / Elcombe – request for 20’s plenty signs rejected due to differential between 20mph and current speed limit (60mph). Mixed use sign or pedestrians in road sign proposed. <ul style="list-style-type: none"> • Elcombe – whilst 20mph would be supported generally, there was no positive support from road safety or police for this, so match funding will not be pursued at this time (but see below). CLOSE • Dan rejected this idea but has pursued NMU signs which arrived this week. Only horses and cyclist provided. Pedestrians to be sought. <p>Stroud District Super TRO (40mph) Brought to our attention by Johnathan Nunn. Following locations will be supported in writing by PPC for inclusion in this:</p> <ul style="list-style-type: none"> • Slad Road 400m around Vatch turning. Include request for barrier for footpath MPA/50/1 (for 20mph) 	<p>Ongoing (George)</p> <p>Ongoing (Keith)</p> <p>Irena/Abigail</p>
--	--	--	---	---

			<ul style="list-style-type: none"> • Catswood Lane (20mph) • Golf Course Road (20mph) <p>Police Enforcement:</p> <ul style="list-style-type: none"> • Camera Enforcement Unit: Broadhams, Painswick is an approved enforcement site. One enforcement session in 2016. • Neighbourhood Team: Police have not been able to provide any enforcement due to limited resources. • Letter to Martin Surl – responding to report of prosecution in 20mph in Bouton on the Water, and raise in precept to improve Neighbourhood Policing, greater visibility including speed enforcement has been requested. <ul style="list-style-type: none"> ➤ Response confirmed they are employing 2 new officers and equipment to carry out speed enforcement and that Painswick has been added to their list. <ul style="list-style-type: none"> • At October Parish Council meeting PCSO Debbie Collicott noted that no additional resources had yet become available. • Meeting/Correspondence with David Drew MP – John Sidwell has supported PPC to drive this to ask his assistance to support our lobbying of Martin Surl. <ul style="list-style-type: none"> ➤ He has suggested getting in touch with Charles Pedrick who he considers to be the local guru. OUTSTANDING. <p>Community Measures:</p> <ul style="list-style-type: none"> • Community Pace Car Pledge continues to be available to sign in Clerk’s Office. • Scarecrows – latest road safety research promotes increased ambiguity of roads to reduce speeds. <ul style="list-style-type: none"> ➤ Whilst supported by GCC, time is not currently available to pull this together. CLOSE. 	<p>Ongoing (Irena/Abigail)</p>
--	--	--	---	------------------------------------

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – ACTION PLAN

			<p>➤ Father Christmas speed sign used in December – good initiative, need to find more robust signs that are more weather proof. Cost of other weatherproof signs has been confirmed as ~£300, which makes this unviable at present. Father Christmas erected for Christmas period. This got press coverage. Make an annual event.</p> <p>Mobile VAS available for community volunteers.</p> <p>Traffic Calming Measures Scheme:</p> <ul style="list-style-type: none"> • Public consultation carried out in March 2018 asking about support for physical traffic calming within the 20mph zone. • 25% of those on electoral register responded. All properties along the A46 and B4173 within the 20mph were door-knocked to ensure those of greatest impact were aware of the consultation and could respond. <ul style="list-style-type: none"> ➤ Result - 52: 48 for:against. This was not considered strong enough support a full scheme (especially because New Street and Gloucester Street showed a 50:50 split). ➤ 19:5 along Cheltenham Road were for traffic calming and towards this GCC were happy to support a previously designed pedestrian crossing island. <ul style="list-style-type: none"> • The cost of this (~£35k) proved to be prohibitive. CLOSE. 	<p>Ongoing (George)</p>
2.	<p>Parking Provision</p>	<p>To review current parking provision, including associated signing.</p> <ul style="list-style-type: none"> • KwikMedia Visitor survey (Summer 14)- parking is considered problematic, with most staying <1hr. • Proposed improvement in current parking signing complete (raise height of existing 	<ul style="list-style-type: none"> • Request to remove parking charges has been submitted to Stroud District Council and this has been agreed to be subject to a consultation. Parking charges were abolished in April 2019 CLOSE. 	

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – ACTION PLAN

		<p>sign opposite Three Gables; add new sign to back of existing sign for southbound signage to Stamages Lane Car Park).</p> <ul style="list-style-type: none"> • Additional double yellow lines have been considered on several occasion but rejected due to cost and concerns from residents. 	<ul style="list-style-type: none"> • Electric vehicles charging points will potentially provide challenges in the future. GCC initiative – Keith Rippington confirmed all pilot sites in Gloucester/Cheltenham, but would raise potential in Stamages Lane car park with SDC. SDC (Simon Pickering) have committed to being carbon neutral; as have GCC. Two potential routes of funding: SDC and GCC. Keith investigating. Greg McCormick has got contacts with potential companies who would be interested in putting charging point in Stamages Lane car park. To be considered further. • Various parking concerns around the village are raised with Neighbourhood Wardens when received to keep an eye and speak with drivers if appropriate. • Hatching needs renewing at Tibbiwell Lane / Kemps Lane. OUTSTANDING – see below. 	<p>Ongoing (Keith)</p> <p>Ongoing (Abigail)</p>
3.	Planned Works	<p>To monitor planned works being completed by GCC.</p> <ul style="list-style-type: none"> • Major works completed: A4173 Pitchcombe to Whaddon (Spring 2018); A46 Salmon Spring to Wragg Castle (late Spring 2018); A46 Wragg Castle to Gyde Barn (Summer 2018). 	<ul style="list-style-type: none"> • B4073 Gloucester to Painswick – split into 3 sections Golf Course Road to Pullens Road and Middle Section completed April 2017 <ul style="list-style-type: none"> ➤ Hatton Court – Kings Court - COMPLETE • B4073 Pullens Roads, Canton Acre and Upper Washwell – programmed for 2019. • A46 Painswick to Brockworth – micro-surfacing autumn. Prior to that final patch repair in July. • Greenhouse Lane –requires full resurfacing, not in current programme due to focus on A & B roads. • Programme and approach to Pothole repairs continues as before, with 24hr, 2 day and 28 day repairs dependent on severity of defect. <ul style="list-style-type: none"> ➤ All to continue reporting potholes via GCC website. 	

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – ACTION PLAN

			<ul style="list-style-type: none"> • White lining needed at Greenhouse Lane and Yolthouse Lane. Tibbiwell – ticket issued with 6month timescale, likely end of summer. See below. • Pitchcombe Junction improvement – Painswick Parish Council have supported the proposed scheme. A further public consultation may be held for Pitchcombe. Programmed to begin in 5th August until 22nd November. 16 weeks of traffic lights. • Sheepscombe Briar Cottage to the Green – scheme postponed again, without notice. Village Hall bookings had been refused for those dates and lost revenue. Update? • Non A/B roads or those that are not fixed can be reported for review and repair in a few years (start now to seek funding). Provide to Keith. 	Ongoing (Dan)
4.	Miscellaneous Issue: Highway Signage	<p>To ensure all highway signage is effective.</p> <p>Potential Safer Route to School from Stamages Lane Car Park parked in autumn 2018 due to proposed route via Hollyhock Lane likely to be too long to be widely used.</p> <p>GCC-funded speed camera signs erected on A46 (north and south) and B4073 once Broadhams designated as police speed enforcement site.</p>	<ul style="list-style-type: none"> • Highways Signs and White-lining Review complete: lining improvement complete in 2015; additional lining improvement completed as part of 2018 resurfacing schemes. Other Safety Signing Improvement Project will require Match Funding. • Highways Signs and White-lining review to be undertaken. • Review of pedestrian signage. Identify proposed improvements and potential budgets etc. <ul style="list-style-type: none"> ➤ This is now with Lands and Buildings. • Community Sign Clearance initiative - excellent standard achieved in 2014, 2015, 2016 and 2017. For 2018 and going forward, PPC apprentice will undertake clearance; David Allott will use his experience to input priority locations but will not undertake works. 	Ongoing (Adrian)

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – ACTION PLAN

5.	Miscellaneous Issue: Emergency Service Access	<p>To ensure adequate emergency services access to all areas within the parish</p> <ul style="list-style-type: none"> ▪ Note: Police can be called to assist if fire service access is restricted. ▪ <i>Emergency Services Access Signs</i>: currently in Vicarage Street, these can be moved to alternative locations if needed. 	<ul style="list-style-type: none"> • 4 Emergency Services Access sign purchased and erected along Vicarage Street – they have moveable fixings so can be moved as necessary. • Parking leaflets available in Clerk’s Office for use by Neighbourhood Wardens if requested. • Holiday let owners to be written to request inclusion of parking advice in welcome packs. CLOSE – Current owners to be identified if further issues raised. • Vicarage Lane – needs review of parking regarding access to Emergency Services. <ul style="list-style-type: none"> • Visit by Neighbourhood Warden with prepared leaflets as needed. • Contact Fire Service to request visit with Fire Engine. UNDERTAKEN REGULARLY. 	Ongoing (Irena)
8.	Miscellaneous Issues: Other		<ul style="list-style-type: none"> • B4073 Junction Warning Signs for Madams Wood and Sevenleaze to be considered by GCC – audit has confirmed that 8 current warning signs are valid; ticket raised to add crossroads sign. Update? • Best One disabled parking – white lining needs replacing. OUTSTANDING – to be added to white-lining bulk ticket. • Drainage – Ongoing monitoring and reporting of issues. <ul style="list-style-type: none"> ➤ Almshouses Gully – goes to its own soakaway, which are cleaned as part of routine cleansing, but may need to be dug out which will require specific ticket. OUTSTANDING ➤ Tibbiwell Gully – not cleared since 2016. OUTSTANDING ➤ A46 Carrwold Cottage – blocked gully, floods road. OUTSTANDING 	<p>Ongoing (Dan)</p> <p>Ongoing (Dan)</p> <p>Ongoing (Keith)</p>

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – ACTION PLAN

			<ul style="list-style-type: none"> ➤ Bisley Street gully – blocked. OUTSTANDING ➤ Sheepscombe pothole with spring has reappeared – permanent fix is funded scheme for 18/19. (See Planned Works) OUTSTANDING ➤ Nurses House gully. Fully blocked reported to GCC. Date to clear arranged. • Discrepancy on sign to Painswick Beacon on A46 - states Catsbrain Quarry n/b; Painswick Beacon s/b- GCC to consider. – on ticket for resolution in conjunction with Madams Wood crossroads. • Following issues to be report to GCC: COMPLETE? <ul style="list-style-type: none"> ➤ Visibility issue on exit from Catbrain quarry turning onto B4073. Irena to report to GCC ➤ Longridge / Beech Lane junction – needs “Unsuitable for Heavy Vehicles”. To be reported GCC. • Cockshoot Corner, Sheepscombe – needs cheveron warning sign. OUTSTANDING • Painswick Parish Council facebook site to request that if members of the public feel strongly about engaging more police, they are welcome to request a copy of our letter to Martin Surl to aid any such letter. CLOSE. • Gritting – how are routes determined? Can/do they include heavily-used through lanes? CLOSE • New salt bin to be requested for Yew Tree Cottage, Sheepscombe. COMPLETE. • Longridge – poor condition dry stone wall Stephen to speak to house owner, can be reported to Stroud District Council. CLOSE. 	<p>Ongoing (Dan)</p> <p>Ongoing (Dan)</p> <p>Ongoing (Dan)</p>
--	--	--	--	--

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – ACTION PLAN

			<ul style="list-style-type: none"> • No give way lining at Kemps Lane or at top of Tibbiwell Lane. Will be included as part of the whitelining and sign review. • Sign advising switching off engines whilst waiting for the lights. Can air quality be tested and if it is proved to be poor what can be done? Dan to advise. • Great winter services, much appreciated by the community. Thanks to be sent to Dan from PPC. 	<p>Ongoing (Dan)</p> <p>Ongoing (Irena)</p>

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – LOCAL PLAN

The following represents the updates Painswick Parish Plan Traffic Objectives / Actions, as agreed at the Traffic Committee on 2nd November 2016.

TRAFFIC

	AIM	PPC ACTION /SIGNPOST TO OTHER ORGANISATION	UPDATE
1.	<p>Buses:</p> <ul style="list-style-type: none"> • Tidy up the bus shelter in Edge. • Cotswold Green 63 service to and from Stroud on Saturdays via B4070 should be persuaded to detour to Sheepscombe bus stop (by Methodist Chapel.) • Defunct bus stopping areas/lining to be removed. 	<p>Parish Handyman to continue providing maintenance to bus shelters. PPC to continue lobbying for this minor detour to improve bus service for Sheepscombe.</p> <p>GCC to be requested to remove white-lining of bus stops that no longer exist.</p>	<p>New Plan agreed on 2nd Nov 16 – to be reviewed at future Traffic Committee meetings.</p>
2.	<p>Footpaths / Footways:</p> <ul style="list-style-type: none"> • Clearance of footways to be monitored and addressed as required. 	<p>GCC to be requested for clearance; where possible request assistance from HMP Leyhill to provide additional clearance.</p>	<p>New Plan agreed on 2nd Nov 16 – to be reviewed at future Traffic Committee meetings.</p>
3.	<p>Car Parking:</p> <ul style="list-style-type: none"> • More car parking required. • Seek to allow parents to park for free whilst dropping off children at The Croft. • Seek to extend minimum stay time at Stamages Lane Car Park, to encourage longer visitor stay in Painswick. 	<ul style="list-style-type: none"> • PPC to consider potential new car parking locations via Traffic and Land and Buildings committee. • Stamages Lane Car Park is owned and managed by SDC – request discussion on potential improvements to benefit the community. • Stamages Lane Car Park is owned and managed by SDC – request discussion on potential improvements to benefit the community. 	<p>New Plan agreed on 2nd Nov 16 – to be reviewed at future Traffic Committee meetings.</p>
4.	<p>Reduce Speeding through Parish:</p> <ul style="list-style-type: none"> • Continuation of Painswick Community Speed Watch 	<ul style="list-style-type: none"> • Currently held quarterly. 	<p>New Plan agreed on 2nd Nov 16 – to be reviewed at future Traffic Committee meetings.</p>

PAINSWICK PARISH COUNCIL – TRAFFIC COMMITTEE – LOCAL PLAN

	<ul style="list-style-type: none"> Continuation of Slad Community Speed Watch Seek training for Community Speed Watch Training in Edge Seek increased enforcement activity by police. Continue to work with GCC to seek engineering solutions to reduce speeding 	<ul style="list-style-type: none"> As deemed required by local volunteers. Police training of volunteers required. Police to be lobbied for more enforcement activity from designated location at Broadhams; general patrol within Painswick 20mph areas; or other areas as requested by Ward Councillors. Continue discussion with GCC Area Manager. 	
5.	<p>Road Asset Improvements / Repair:</p> <ul style="list-style-type: none"> Seek improvements to current road surface repairs Seek improvement to current road drainage clearance. 	<ul style="list-style-type: none"> Lobby GCC to bring forward planned works to avoid excessive deterioration, requiring more costly repair. Continue to monitor pothole repair and report new potholes. Lobby GCC to complete repairs/renewal to failed drains to ensure effective functionality and reduce risks from road or property flooding. 	New Plan agreed on 2 nd Nov 16 – to be reviewed at future Traffic Committee meetings.
